Obituary of George H. Deller

GEORGE H. DELLER.

George H. Deller was born in Columbiana county, Ohio, Feb. 15, 1843 and died at his home four miles west of Pleasant Lake, Ind., Tuesday May 1, 1923, at the age of 80 years, two months and 15 days. He came with his parents to Indiana at the age of six years, and they located near the Mt. Zion church, where he grew to manhood. He was converted and joined the Mt. Zion church at the age of 23 years and has been a life long member of that church—the United Brethren in Christ.

He was married to Cathrine Wolf March 23, 1865, and they have lived together 58 years. In a few months after their marriage they moved to the old homestead where they now live and have spent their long lives together. To them were born five children two sons three daughters. One daughter Mrs. Nettie Gilbert, wife of Shirley Gilbert, of Pleasant Lake, died six years ago. Surviving are Myron Deller of near Fremont, Rev. William Deller of Geddis, South Dakota, Mrs. Ella Weaver and Mrs. Maude Sunday of near the home place. Beside the wife and mother and the sons and daughters he is survived by 18 grandchildren and 4 great grandchildren, also a host of friends to mourn his loss. Brother Deller will be missed by the family, also by the church and community. All who knew him will miss his familiar smile and face. He was a hard working man and always had the home and welfare of his family at heart. He was a good, kind husband and father and won the esteem of all who knew him. His grandchildren were precious jewels to him and his home and heart were always open in welcome for them. These many tender memories will still linger to cheer those he loved so well and we bow in humble submission and say, not our will but thine, oh God, be done.

Funeral services were held at the Mt. Zion church on Friday at 10 a. m., Rev. C. H. Trinkle officiating, assisted by Rev. McCloe, Franklin and Parker. The interment was in the Mt. Zion cemetery.

Obituary of John A. Deller

JOHN A. DELLER.

John A. Deller was born in Butler township, Columbiana county, O., Sept. 25, 1844, and died at his home in Pleasant Lake, June 1, 1917, aged 72 years, eight months and six days.

He was a son of Nicholas and Lydia Redman Deller, his father having been a native of Switzerland. When he was seven years of age the family moved to the Mt. Zion community of Steuben county, where the children if Nicholas Deller grew to manhood and womanhood and established their homes.

He was married on Dec. 13, 1868, to Lucy K. Mercer, by Elder John Martin, at Mt. Zion church and with a determination to make a name and a home for themselves and their children, they, by energy and industry accumulated a fine property and an attractive homestead where they lived from the day of their marriage until in December, 1915, they moved to their beautiful new home in Pleasant Lake.

When a boy he became a member of the United Brethren church at Mt. Zion and during all these years he has ever been a loyal, earnest and faithful worker in all the departments of the church.

He leaves to mourn his departure his wife and all of the six children born to them: Harvey, of South Bend; Ive Gilbert, of Pleasant Lake; Artie Fast, of Metz; Worthy, of Detroit; Luster, of Spokane, Wash, and Lettie Eugenia, in the home; also several grand children; one grand child, Aileen, having preceeded him in death.

Funeral services were held on Sunday, June 3, 1917; burial in Mt. Zion cemetery.

Obituary of Mary (Ritter) Deller, wife of Aaron Deller

MARY RITTER DELLER

Was born in Wayne county, Ohio, January 1, 1847, and came to Steuben county, Indiana, in 1852. Died at her home Dec. 30, 1912, aged 65 years, 11 months and 30 days. She was married to Aaron Deller, Nov. 1, 1868, and to the union were born six children, Mrs. Stella Ritter, of Nevada, Missouri; Mrs. Laura Deal, of Angola; Mrs. Martha Meyles, of Auburn; Mrs. Bertha Huffman, of Pleasant Lake, and Howard, who is yet at home. One daughter, Lennie Belle, died at the age of 18 years.

Mrs. Deller was a true home woman, an affectionate wife and mother, always looking after the welfare of her home and family. Besides her own family, she leaves two brothers, Henry and Jacob Ritter, two half-brothers and four half-sisters. Her children were all with her during her last hours. Mrs. Deller united with the United Brethren church in early life and always lived an earnest christian life and died as she had lived in the triumph of a living faith. She will be greatly missed by husband and children and by scores of relatives and friends.

Funeral services were held at Mt. Zion church, Wednesday, Jan. 1st, conducted by Rev. J. W. Martin. Burial at Mt. Zion cemetery.

HISTORY OF STEUBEN Co. IND. PART 2
1885

roll County, Ohio, in 1824, whence he moved to Monroeville, Jefferson Co., Ohio, where he lived ten years. From Monroeville he removed to Salineville, Columbiana Co., Ohio, and in 1863 moved to Steuben County, Ind. While at Salineville he was engaged in the furniture business, and for three years was Mayor of the town, and four years President of the Board of Education. In 1870 he erected the depot at Pleasant Lake and was station agent eight years, the first agent in the place. Mr. Croxton was married in 1847 to Martha Thompson, a native of Beaver County, Pa., born in 1827, a daughter of John and Massa Thompson, who removed from Pennsylvania to Columbiana County, Ohio, and thence to Mahoning County, where they died. Mr. and Mrs. Croxton have four children—John, Elvira, Worthy and Emmet. They have lost three children since their residence in Indiana—Allie died at the age of twenty-three years, Willie aged sixteen years, and Ettie aged four years. In politics Mr. Croxton was originally a Democrat, but since its organization has affiliated with the Republican party.

Aaron Deller was born in Columbiana County, Ohio, in 1848. His father, Nicholas Deller, was born in Switzerland in 1818, and came to the United States with his parents when nine years of age. They settled in Butler Township, Columbiana Co., Ohio, where he grew to manhood. His father died on the old homestead in Ohio. His mother subsequently came to Steuben County, where she died at the age of eighty-three years. Nicholas Deller married Lydia Redman who died in 1848 leaving three children—George H., John A. and Aaron. Two children died before the mother. Mr. Deller married for his second wife Mary Ann Fetterhoff. To them were born six children; five are living—Serena, Loretta, I. D., Thompson and Perry N. In 1851 the family moved to Steuben County, Ind., and settled on section 8, Steuben Township, where the father died June 21, 1874. A few acres had been cleared and a small log house built, but with this exception the land was timbered. The farm now comtains 160 acres of valuable land, and the residence and farm buildings are among the best in the township. Aaron Deller came with his father to Steuben County and was reared and educated in this township. He has always lived on the old homestead, and has since his father's death had charge of the farm. He was married Nov. 1, 1865, to Mary M. Ritter, daughter of Philip Ritter, of Steuben Township. They have five children—Estella, Laura, Mattie, Bertha and Howard Aaron.

--William Redman, who has lived near Angola for the past twenty years, was found dead in bed at his home in Scott township yesterday morning. He lived alone on four acres of land back of Elmer Rinehart's farm. He was ill Sunday night and Dr Swantusch, of Metz, was called. The doctor said he had neuralgia of the heart, but thought he would be better by morning. The remains were brought to Klink's undertaking rooms in Angola where an inquest was held by Coroner Hamilton, the verdict being that he came to his death by heart failure. His brother and sister from near Hillsdale, Michigan, came on the afternoon train yesterday, and funeral services will be held in the Methodist church tomorrow at ten o'clock. Mr. Redman is the fifth member of his immediate family who have died without the knowledge of anyone, two of his sisters having been found dead in bed in the morning as was Mr. Red

Ex-Jurist In Summit County Probate Court Taken At Age Of 74

FUNERAL TO BE PRIVATE

Rites For Prominent Akron Republican Set For Saturday

George M. Anderson, 74, one of the stalwarts in the Republican party of Akron and Summit county—a former city solicitor and for two terms probate judge—is to be buried Saturday following private services at 3 p. m. at his home, 369 Silver st. Judge Anderson died Wednesday night at his home.

Survived By Widow

Survived by his widow and three children, the former jurist is mourned by a wide circle of friends and acquaintances in Akron and the county, and by members of Akron Bar association. He was considered one of the brainiest legal authorities in the county, during his active life.

The children surviving Judge Anderson are Robert Anderson, living at the family home; Mrs. Paul Held, wife of Paul Held, treasurer, Central Depositors Bank & Trust Co., and Mrs. Hurl Albrecht, wife of Hurl Albrecht, assistant general manager Albrecht Grocery Co.

Bar Names Committee

Rev. E. W. Simon, pastor emeritus of Trinity Lutheran church, will officiate at the burial services. The body is at the family home, where friends may call Friday afternoon and evening. Judge Anderson was a member of the Masonic lodge, the Odd Fellows and the Elks.

George Rogers, vice-president, Akron Bar association, in the absence today of Lyle M. Buckingham, president of the bar, named three committees to represent the attor- in arranging for the funeral

Born at Princeton, Wis., June 29, 1857, Anderson came to Ohio with his parents two years later, but it was not until the fall of 1880 that he came to Summit county, locating in the Krumroy neighborhood.

Attends Alleghony College

Starting in 1876, Anderson was a student at Allegheny college, where he defrayed expenses of his tuition for four years by manual labor and management of lecture courses.

Soon after arriving in Krumroy, Anderson married Miss Mary E. Jones of Damascus, Columbiana county. While he was studying law Anderson painted, did labor jobs and otherwise earned money enough

Akron Loses A Friend

Thirty years ago Judge George M. Anderson was a power in the political life of Akron. He was the county's probate judge and a republican leader. Having a voice coordinate with the mayor in naming the board of city commissioners, supreme in Akron's government, Judge Anderson declined to join in naming new members of the board because he did not favor the succession. As the result of this action the old board, friendly to Anderson, held over, and thus began the "deadlock" that figured so largely in the annals and animosities of the period. From this Judge Anderson derived the title of "czar," and it endured until a decision of the supreme court abolished "ripper" government in Ohio, the board of commissioners being consigned to the scrap heap with charter government taking its place.

Although they called him "czar," Judge Anderson was far from being prototype of the modern usurpers of that name. His board of commissioners served through the period when Akron was emerging from village to city class, when the pioneers were going down over the hill, and when Akron was feeling the first impulses of the bright and progressive days ahead. The board gave Akron a good government, and effected all its public improvements without calling on the bondholder for loans. Taxes pressed lightly on the purse of all, and the grand jury did not have to be called in to keep local government straight.

Judge Anderson was a good jurist and an able lawyer. He had a wealth of wit and epigram which he lavished upon his friends, and which garnished all his public appearances. He was of that amiable class of old time lawyers who would stop a lawsuit to tell a good story. Although ill health enforced his retirement years ago his many friends, to whom he was always loyal, have not forgotten him, and they will be saddened by his death.

Dear Cousin,

How can I ever thank you for the information you sent to me on the Redman family? I sat down when the mail came and never got up until it was time to get dinner, trying to absorb and classify the pages as they relate to my grandmother, Anna Crittenden. All of these years that I have been researching and wondering about Jacob and Catherine, and then in one day the mystery is solved. Thank you- thank you a thousand times.

I am enclosing copies of some of the papers that have been in our family, and some I found through the Census, and a trip to Lisbon Courthouse where I had a land deed copied before leaving Ohio. Two years ago at the time of our 50th wedding anniversary, we were at our oldest daughter's home in Akron, and I had a chance to go to New Alexander Cemetery, where I saw the grave, but the age engraved at the bottom of the stone was indistinct; tried to see the sexton, but he had left for another town, and since we were leaving for CA the next day, never had a chance to go back. I wrote to Ohio State Library for the Cemetery address, and they gave the age as 56, which of course is wrong. I did not find Catherine's grave, and did not know she was buried there also. Grandmother never mentioned her grandparents in my presence, so until I started researching in Columbiana Co. and found the enclosed land deed, I never even knew their names.

Most of my research has been on the Crittenden family, and has been going on for 15 years or more, after I found some records in an old trunk belonging to grandmother Anna, thank goodness she kept records. They say there is always one in every family who likes to do this work.

Grandmother Anna was a remarkable woman who sometimes told me tales of her youth in Columbiana Co. They did not have much chance to go to school, ohly when they were not needed on the farm, which meant a few months in early winter and spring. She educated herself by reading books in later life. She told of her parents, William and Hannah Sanders riding to Church on Sundays on horse-back and said they were considered a very handsome couple. Her husband, Clarence Crittenden passed on at the age of 36, seven years after they moved to Geneva, and she supported her son, Bert by dressmaking until he was old enough to work, then he supported her. She told me about making the wedding gown for the bride of President Garfield, then a prof. in Hiram. She was in business with her sister, (I don't remember her first name, but she thesister married G. Goodsell) in Garrettsville before her Anna's marriage to my grandfather. There is so much I want to tell you, and maybe there will be an opportunity for us to meet when we come to Ohio in August

Alliance also, do you suppose we could have a reunion?

In Ohio I belonged to the Ashtabula County Genealogical Society, and out here I am a member of the Hemet-San Jacinto Gen. Soc., and have worked in some capacity for them ever since coming to Hemet, but this coming year decided not to take anymore jobs as my own gen. is suffering from neglect. I am a member of the DAR also, Elizabeth Harper Chapter in Geneva, joined on the Crittenden line, and kept my membership there after moving, and it is nice to know there is another ancestor to register with. Like you, my husband is not in the best of health, and has been under the care of a specialist for the past five years, but he recently got some good news, he won't have to go back for examination until the end of September, so we are grateful for that; he keeps up remarkably well, and it is hard for me to believe he has undergone so many surgeries.

We have the advantage of the LDS Church Library here, and it is fast becoming the largest one in Southern CA. Our Society Library is housed there, but does not belong to the Mormans. Recently they brought out a new index for all the Census, with allsurnames together and their location, so one does not need to search all over the place to find a particular person in any one state. I haven't had time to go over to the library and try this out, but will go soon. They say it is better than the ICI If there is something you would like me to look up for you, please tell me and I'll do my best to find it. I'm searching in PA for German families on my mother's side, one of her grandfather's, John Mussulman, and have a film to read at the library that has been there three weeks already.

What do you have to do to belong to First Families of Ohio? I would like to belong, maybe we could all join together. There does not seem to be enough hours in the day to work on gen. but I love it, and like you, worry about getting the research into print somewhere before the end, and not sure any of our three children would carry it on. Do you belong to a genealogical group in Cleveland, and how did you become interested in keeping records? Please write when you can, and again thank you for sharing your research with me.

Sincerely,

Marianne Barrett

Thank you for Mrs. Ramsey's address also, I'm wondering if she knows a dentist in Alliance by the name of Brocklehurst, his parents are dear friends of ours in Geneva.

Dear Jeannette,

Thanks so much for answering so soon, enjoying your letters and especially now when I am laid up with an ulcer on my ankle. The darn thing started two weeks ago and I'm not making much progress. When I am better will get over to the library and find out about the Burk family for you. I'm not sure just how this Census index works but anxious to findout, and there are people who will help me.

I have a mystery too, what became of William and Hannah Sanders after 1860, did they go to Indiana to live with their son Jo~~h~~nathon who moved there when he got married? Did he move there because some of the Redman relatives lived in Indiana? We visited some of the Sanders ' family in Angola, Ind. years ago - my father's Uncle and some cousins - his Uncle owned a large wheat farm in Steuben Co. and one of his sons had a resort on Silver Lake outside Angola. I remember the farm, they were cutting wheat, it was a very hot summer day, and large tables were set up under the trees; there was so much food, and several women were doing the cooking. I may have been 10 or 11 years old - we stayed with Dad's cousin, John Sanders at the Lake, and all I remember about that was the croaking of bull frogs all night. Once a long time before that, I remember two brothers visiting my grandmother in Geneva. They were elderly men, yet had coal black hair and very rosey skin like young people. They were not very tall, and neither was my grandmother.

When you mentioned where you are moving, I more or less had a picture of the vicinity, because we always took 271 to get to Cuyahoga Falls when our daughter lived there, makes me homesick - anyway I'll know where to go if there is any chance of our getting together in August. You must be extremely busy now getting packed and cleaning out such a big house.

It will be fun if we can go to Lisbon together, I spent a whole day there searching for a Sander's will and found nothing; that was the same day I found the Land Record made by Jacob Redman Sr. and realized this was the surname of my ancestors. By that time it was late in the day, I had to drive back home, and never did get back there before we moved. (1975) We moved in 1978. You mentioned that you belonged to the Ohio Gen. Soc., do you know Dr. Johnson? He was President some where around the time we left, anyway He is a good friend of our daughter and her husband, they all belong to a Quaker group. I met him at a meeting of Ashtabula Co. Gen. Soc. when I belonged there - still do, and get the quarterly,

It is very warm here now, and due to be warmer with 100° common, not as bad as Palm Springs, about 45 miles away in the low desert, but pretty bad. Hemet is in a valley surrounded by mountains, and the threat of fire is great this year because of very little rain in the winter months, none since Dec. so we hear the big planes going over at all hours of the day searching for fires. They do not threaten us so much, but the folks living in the mountains are in constant danger. Our lawn is a disaster this year, big yellow spots appearing, and it doesn't make my husband very happy. We tried to recreate our Ohio home out here and put in blue grass, when our neighbors all have green cement lawns, now we know why.

You must have had a happy Mother's Day with five sons and their families to help you celebrate. Our son came and took us out to dinner, but our daughter who lives in Tujunga couldn't be here, it's a 110 mile drive for them. We are 90 miles from L.A., 75 from San Diego, and 45 from Riverside; 55 from our son in Corona. It's a nice place to live despite the heat, and lots of things going on here all year round.

Good luck with your moving, and do write again - I will get to the library

Best Regards,
Marianne

P.S. Thank you for the info on First Families - and every

Beloit Man Falls Across Gas Stove Igniting Clothes

William Sanders, Maker of Early Steam Car, Meets Death

RELATIVE COMES TO MAN'S RESCUE

Former Carriage Maker Invented Steam Auto 3 Years Ago

BELOIT, Nov. 7—(Special to The Alliance Review)—William Henry Sanders, 66, maker of one of the earliest steam automobiles manufactured in the United States is dead.

Burns received when he fell across a gas stove in the dining room of his home about 6:45 Wednesday night resulted in his death at the Alliance City hospital at 7:15 Thursday morning.

Just what happened Wednesday night has not been determined by relatives. It is not known whether Sanders, a victim of heart attacks was stricken and fell across the stove, or whether he might have stumbled against it.

The odor of burning cloth attracted the attention of Charles Hackathorn, a son-in-law who lived in another part of the house. He investigated and found the aged man, seated in his rocking chair in front of the stove, unconsciously tearing the burned clothing from his right breast. Mrs. Sanders had left home only a short time earlier for church, leaving Sanders alone.

Dr. E. H. Westfall was called and immediately ordered the man removed to the hospital. His right breast, face and throat were burned by the flames.

Deceased was born at Valley, a son of Henry and May Oyster Sanders. He came to Beloit October 1, 1863, with his parents and on March 16, 1893, married Miss Lulu Kniffen of Greenwich.

Shortly after the wedding, San-

terested in auto-propelled vehicles. He manufactured an automobile, parts of which are still retained by the family here.

R. Sanders, of Johnson City, N. Y., and one sister Mrs. Harvey Oswalt, of San Diego Calif.

Funeral services will be held a the home Sunday afternoon a 1:30 and at the Beloit Friend church at two o'clock in charge c Revs. J. W. Crumrine and Isaa Toole. Interment will be made i Quaker Hill cemetery, Sebring.

The Women's Missionary Auxiliary was formed to aid the missionary work of the Friends Church. Quilting is the main method of raising funds.

The Vercia Cox Circle, another active group, aids missionaries abroad and at home with many projects for hospitals and leper colonies.

The Walter Williams Missionary Brotherhood was started in February 1952. Monthly meetings are held to study and promote interest in the work in the mission field. This group supports a hospital bed in the mission hospital in India which is served by Dr. Ezra DeVol.

The Plus Ultra Sunday School Class celebrates its fiftieth anniversary of its organization in July 1963. Walter Tool was the first teacher.

DID WILLIAM SANDERS BUILD THE FIRST AMERICAN AUTO?

History credits the year 1892 with the birth of the automobile, a gasoline powered machine. Fully a year before this time Sanders was cavorting over the country roads, frightening cows and generally disrupting the pastoral atmosphere with his land going "Fulton's Folly".

Sanders claim to the distinction of having invented the first auto is given a twinge of authenticity by the fact that like all true inventors, he never profited by his dream achievements.

It was about a year before the Chicago World's Fair, when Sanders first got the idea of making one of his buggies into a horseless carriage. He was visiting the Stratton Jump Seat Co. in Salem when he noticed a two cylinder steam engine running a drill, but shortly after this company left Salem and he was unable to locate such an engine. In his search for an engine he disclosed his plans to a printer in Salem, hoping that he would be able to help if he knew just what he needed it for. It was just a few days after this when folks began showing up at the house asking to see the horseless carriage, when Sanders denied having such an apparatus, they would laugh and wink and plead for a peak at it.

William Sanders with the remains of his Horseless Carriage

This was all very mysterious to Sanders until some one brought him a copy of the Salem News with a long story of his invention of the horseless carriage, with the prophecy that he would drive it to the World's Fair the next year.

This all served to help him make up his mind to build one. He began to assemble the parts he would need. A boiler works in Alliance promised delivery on a boiler, which was to cost $40.00, in three weeks, but after waitin they decided not to allow Sanders, who was such a likable fellow, to waste his money for such a foolish crazy notion, so he was forced to journey to Youngstown for his boiler. The special axles came from Cleveland. With a lot of attention on the body work the steam wagon was ready to roll.

What a thrill it must have been that first time when water was taken aboard, the coal fire stoked into a steam raising energy, the gadgets all adjusted and then the wheels moved. Sanders stated "A man had to be pretty much of an engineer to run one of these affairs they were really complicated."

The outward appearance of the wagon was similar to the Irish jaunting cart. He placed the boiler of his engine upright in the center of the body. The engine was dropped below the seat

flight of steps that dropped down at the rear of the vehicle. sengers sat sideways on two central seats facing the outside.

It took considerable foresight to navigate in this craft. I sides watching where he was travelling, the driver needs m look to his fires to keep his steam up, and then watch out for t places where he had cached coal and water in advance. Sand did not start out for the World's Fair as was predicted, but w content to ride around the local country side; he was quick to cognize that steam was not the proper motive power for the hor less carriage, as it took too long to get any where due to so ma stops for fuel and water.

However several wealthy men offered to finance him if would turn his carriage works into a horseless carriage wor Sanders stated "I knew the buggy days were doomed and we w standing on the threshold of a new era in transportation, bu also knew that steam was not the right kind of power." Word around of the proposal to change his business and the one man the world to whom Sanders owed money — $650.00 — was one w could not see ahead. Appearing at the house he declared he wo foreclose if Sanders did not promise then and there to give up s ideas for the manufacture of such crazy things "that would ne amount to shucks". Thus he was forced to give up the idea t might have resulted in establishing a Detroit in Ohio.

Once noble vehicle has since rusted away and parts w scattered throughout the area in many farm yards and scrap pil The carriage works was flattened by a tornado many years and all that is left of Beloit's near claim to fame in the memor of a few citizens.

Bill Sanders came to Beloit as a young man and at the of 18 began to build the large home on the N.E. corner of Fifth Main Streets, which was to be the home to which he brought bride.

Through the years this corner was the site of a number enterprises. In 1895, a part of the house served as a grocery st with a barber shop on the first floor. The third floor was used a meeting hall for many revival meetings and church groups. P lic dances and roller skating was also an important part of the so life of the community and the third floor of the Sanders hall h memories for many.

Sanders was well known as a buggy maker, taking m pride in the finish and fine lines. The Sanders children recall buggy shop just north of the house, with the body works in downstairs and the varnish room upstairs. No one was allowed enter the building when painting was being done upstairs.

Bill and his brother Harvey also operated a saw mill at t site, north east of the house.

Sunday P.M.

Dear Sandy:

It was nice to recieve your letter and all the information about the family history.

You certainly have gone to a lot of work digging up all this information. I know it is a big job. Am afraid that I will never get that far with mine.

As near as I can remember, my mother told me that the Redman's were her great or second great grand parents. So it is nice to have this added information.

My son changed his name in 1978 (for business reasons,our name was so long and hard to spell,it was Guglielmetti) Also his wife's name is Catherine too. I have no daughters only the one son. Have checked our family bible and there is nothing in it regarding the Sanders or the Oswalts. Only our present generation.

I think that possibly Carrie Sanders Harrington might have the Sanders Family bible. She lives at 5523 Mary Jo Way, San Jose, Ca. 95124. That would be the bible for Harvey Sanders family.All of uncle William's children are dead, there is one cousin in Pittsburg, Pa. who might have Williams Family bible, her name is:Mary Lou Clayton 213 Lennox Drive, Pittsburg, Pa. 15221. I think she is one of Lucy's daughters.

No, no one has ever checked up on Henry Sanders Civil War record as far as I know. The only information I have on the Oyster family are a lot of pictures that my mother had. I have picture of the following:

Samuel Oyster & family	he was Mary's youngest brother
John & Savilla Oyster	
Lucy Oyster	an aunt
Lena Oyster	cousin
Mary Oyster	aunt
Joe Oyster	uncle
Erma Beck	a cousin

On Henrys side I have pictures of several of his sisters. Ida Sanders, Elizabeth Sanders, Cecilia, Nellie, Alice, Harriet, an Anna Sanders. Henry had fourteen sisters.

I have a picture of Henry and Mary on their 37th Aniversary an also one taken on their 80th Birthday. Mary was 82 when she passed away and Henry was 85. The both died at our home and are buried i The Kings Cemetery in Ithaca, N.Y. in the Oswalt plot beside my brother.Guess that is all the info I can give you about the Sanders and Oysters.

I've enclosed a copy of our family history, thought you might like to have it to add to your collection of family history.

By the way you might be interested to know that Lyman Saunders wife lives in Vista, Ca. 620 Bel Air Drive, Vista, Ca. 92083 Lyman died in 1986. Also Henry Saunders wife lives in Florida, her address is225 41st Street. North, St Petersburg, Florida. Henry died also in 1986.

Lyman's wife is Emily and Henry's wife is Irene.

Eugene's wife is in a rest home in Johnson City, N.Y. Arthur Sanders has a daughter living in Johnson City, N.Y. Her name is Dawn Murphy 45 Arch Street, Johnson City, N.Y. 13790.

Carrie Harrington lives at 5523 Mary Jo was, San Jos, Ca. 95124 and her son James Harrington lives at 16080 Cammino del Cerro, Los Gatos, Ca. 95032.

Do you know Mary Ruth Hendertmarck? she is a cousin, she lives at; 476 West 3rd Street, Salem, Ohio 44460.

Also Hilda Greenawalt 9 also a cousin) 1020 Senset Drive Alliance, Ohio 33601.

Maybe if you contact them too you can get more information about us.

What age group are you in? I am seventy-eight. Please excure all the mistakes, I am not a very good typist anymore.

Best wishes,

Dorothy

FAMILY HISTORY

DOROTHY A. OSWALT SIMPSON NOV. 1, 1988

Daughter of Frances Mae Sanders Oswalt

Grandfather Henry Sanders was born in Ohio. His parents came from Germany. My mother always said that the family name when they came from Germany was spelled Exsanders, they shortened it it Sanders.

Henry William Sanders married Mary Ann Oyster in 1860 and they lived in Beloit, Ohio.
Henry and Mary had three children; William H. born in 1864, Harvey born in1869 and Frances Mae called Fannie born in 1874. All born in Ohio.
William (always called Will) married a girl by the name of Lulu ? they had eight (8) children, Alice, Ida, Hazel, Lucy, Mary, Naomi, Jessie and Wallace. They all lived in and around Beloit, Ohio. They are all passed away now. William and Lulu are buried in Beloit, Ohio.

Harvey John Sanders married a girl by the name of Tacy ?. They had ten children, Ross, Glen, Lyman, Eugene, Henry, Carrie, John, Nellie Ethel Arthur. Harvey and Tacy Sanders are both buried in Johnson City, New York.
Of these ten children only two are living now. Carrie Harrington who lives in San Jose, California and Carrie is 88 years now, John lives in Binghamton, New York. he is 79 years old. Never married . Carrie has one son James Harrington who lives in Los Gatos, California.

Frances Mae Sanders married Harvey R. Oswalt in 1900 in Beloit, Ohio. In 1901 Gladys Mae was born, in 1903 Clarence John and in 1910 Dorothy Alvertia was born. Gladys and Clarences were both born in Beloit, Ohio. Dorothy was born in Antwerp, Ohio. When Dorothy was nine months old they moved to Johnson City, New York, where Harvery Sanders had bought a farm. Here Harvey Oswalt was unable to find work as a finishening carpenter and theymoved to Ithaca, New York where he always had steady work. Ithaca is only sixty miles fron Johnson City.
He was a very fine carpenter and we have many fine inlaid pieces in our family to show. In 1915 Clarence was drowned in the Ithaca City Reservoir In 1917 Grandmother Sanders fell and broke her hip. They lived in Beloit at this time. Frances Mae went there to take care of her, but as she did not seem to get back on her feet they moved her to their home in Ithaca where they were able to care for her as well as take care of Dorothy who was a small child, Glsdys was a teenager. . She was with then for eighteen months before she passed away at the age of 82. She is buried in Kings Cenetery in Ithaca, N.Y, besides Clarences in the Oswalt plot.

Grandfather Sanders stayed with his son Will in Beloit for awhile. He then stayed with Harvey in Johnson City for some time. Then he moved to his only daughters in Ithaca and stayed there until he passed away. He had a stroke but was only ill about six months before he passed away. He was 85 years old. He, also is buried in Kings Cemetery in Ithaca, N.Y beside his wife Mary and grandson Clarence in the Oswalt plot.

In 1921 Harvey and Frances Mae, with Gladys and Dorothy moved to San Diego, California. Gladys was a beautiful piano player and on their second day there Gladys had a job at the largest music store there playing the piano and selling music.Harvey also found a job the same day with the Glasson Planing Mill and worked there for many years. Harvey R. Oswalt passed away from heart trouble in 1944.

GENEVA FREE PRESS Mon 16 APR 1934 p. 1

said he made a heroic effort to avoid the collision by swerving off the roadway to avoid the oncoming bus and its human cargo.

The bus, operated by the Nevin Western Lines, was reduced to a mass of wreckage by the impact. Passengers were trapped in their seats and crushed to death as the entire left side and top of the bus was ripped off.

Debris from the bus and parts of the wrecked truck and its cargo of 400 bushels of turnips were strewn over a radius of more than 30 feet. The truck and trailer, owned by the Norwalk Truck Lines, was crushed and is almost a total loss, officials said.

Claim No Tail Light

The investigators indicated yesterday one of the principle points to be determined is whether Mr. Schaffer's truck was parked without proper tail-lights when collision came. Several witnesses testified no lights were burning on the rear of the truck and that examination showed the tail-light holder was not equiped with a bulb.

The witnesses' stories were in direct conflict with Mr. Schaffer's story and statements from officials of the truck line. Both the drivers and company officials maintained the truck had been inspected slightly more than an hour before the collision.

A. will hold a brief business session, starting at 8, and the speech will follow immediately. The business meeting is open to the public also. The First M. E. church Sunday school orchestra will furnish music.

Higher Strawberry Expected This Year

JEFFERSON, April 16—Higher prices for this season's crop of strawberries are expected by county growers as a result of a reduction in acreage throughout Ohio this year. The United States crop report, received by County

sought the aid of police in surrounding cities in an attempt to locate a man who was seen running from the Brooks place by a person who witnessed the explosion. The witness, who was on the street near the Brooks home, told Chief Warren he heard a dull explosion immediately after the house seemed to fill with flames. The man ran to a parked car, which was apparently running, and drove off without lights, the witness reported. It was believed he may have been burned by the blast.

The Brooks family was reported to have been out of town at the time of the explosion. Damage was estimated at $2500.

Susannah Redman,

Daughter of Jacob and Catherine Redman was born in Columbiana county, Ohio, Feb. 13, 1818. She was the last of fourteen children to pass to the spirit land. She was married to Isaac Kratzer, Sept. 10, 1838. To this union were born seven children, three sons and four daughters, the oldest daughter dying in her eighth year, Feb. 28, 1850

Susannah Kratzer died at her home three miles southeast of Angola, Ind., Dec. 17, 1902, aged 84 years, 10 months and 8 days. She became a member of the Lutheran church when quite young. There being no church of that denomination here, she united with the Congregational church under Rev. Andrus. She always lived a devoted Christian life and was a devoted wife and mother, her favorite song being "Sweet Home."

Funeral services were held at the home and church, Saturday, Dec. 20, conducted by her pastor, Rev. Cyrus K. Stockwell, and the remains were laid at rest in Circle Hill cemetery.

"But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not even as others which have no hope." Thes. 1:4-18.
